Date: 30.01.2025

**SM/TOK**

**Sub:** New location of TOK/SP PTFE type Neutral Section – Reg

In connection with on-going TOK-JOKT doubling OHE modification work, work relocation of PTFE type Neutral Section has been completed and old PTFE located at OHE mast loc:739/10 has been dismantled and new Galland make PTFE has been erected at OHE mast loc:739/06.

DJ ON/OFF boards and other associated caution boards are also shifted to appropriate locations. Details are as under:

Sr. No.	Type of caution board	Mast location where caution board displayed (for DN trains)	Mast location where caution board displayed (for UP trains)
01	500 meter caution board	738/26	739/30
02	250 meter caution board	738/34	739/16
03	DJ open board	739/04	739/08
04	DJ close board	739/10	739/02

This is for your information and necessary action, please.
