## Sub: Duplication of Authority

It is observed that during failure of Advance Starter / Single Line Block Instrument / UFSBI, on Single line section SMs are issuing both "Paper Line Clear Ticket" (T/C 1425, T/D 1425) and T/369-(3-b).

The authority T/C 1425 or T/D 1425 authorizes to pass Last Stop Signal (Advance Starter) at danger when it is interlocked with block instrument. In KRCL all the advance starters (LSS) are interlocked with block instrument / UFSBI

Thus, issue of T/369-3(b) for Advance Starter signal with T/C 1425 or T/D 1425 is unnecessary and is a duplication of work.

Henceforth, only T/C 1425 or T/D 1425 as the case may be is the only authority to be issued to enter into block section during failure of Advance Starter or Single Line Block Instrument/UFSBI.

  
Chief Operations Manager
